AMENDMENT AND RESPONSE

Sir:

The Office Action of February 11, 2002, rejected claims 1-9, 17 and 18, and objected to claim 18. Reconsideration and withdrawal of the rejections is respectfully requested in view of the following amendments and remarks.

AMENDMENT

Please cancel claims 10-16 without prejudice to Applicant's right to pursue the subject matter of these claims in this application and in related applications.

Please amend claims 1-3, 5, 8, 9, and 18 to read as follows:

1. (Amended) A method for detecting a *Helicobacter pylori* infection, the method comprising the steps of:

detecting a *Helicobacter pylori* nucleic acid present in a patient stool sample and having a length exceeding a reference length; and
